ABOUT THE CHARITY

Wright Flight, Inc. offers a program which uses aviation as a motivation to all fifth graders in Dare County. The program is dedicated to helping local 5th graders reach academic goals. Created in 1986 and introduced to Dare County in 2000, the program imitates the Wright brothers' example of setting goals and achieving them through hard work and discipline. Through Wright Flight, children learn about the history of aviation and are exposed to career opportunities in aviation. Upon successful completion of the program, students are awarded Wright Flight t-shirts, bumper stickers and a "Certificate to Fly" that enable them to take the controls of an airplane and truly experience the joy and thrill of flight!
