ABOUT US

Kitty Hawk Kites in a word? Adventure!

In the air, on the water, and at fifteen retail and recreation locations from Corolla to Ocracoke, Kitty Hawk Kites brings you the best of the Outer Banks.

John Harris founded Kitty Hawk Kites in 1974 with one goal: to teach the world to fly. From humble beginnings (which is a nice way of saying a garage in an old night-club across from Jockey's Ridge), great things have taken flight.

Today, we are proud to offer more than twenty family-friendly adventures in a fun and welcoming environment. From hang gliding to horse tours, think of Kitty Hawk Kites as your partner in making your time on the Outer Banks an adventure of a lifetime. Ask our friendly staff to create a memorable vacation for you!

OUR PARTNER COMPANIES:

TANDEM HANG GLIDING

Imagine yourself ready to fly. Feel the breeze on your face. The instructor will encourage you to relax and place your hands on the handles at his waist. You feel the ultralight plane take off and the glider makes it's way to the sky. On this adventure you will get a bird's eye view of our coastline above the Currituck sound. This is the ultimate bucket list adventure.
